**3 Grammar**  **First conditional**

First conditional sentences describe real possibilities. Use the present tense in the if clause (the condition). Use will in the main clause.

If we **take** public transportation, we'll **save** money.

If we **take** public transportation, we **won't get** stressed out.

Air pollution **will get** worse if we **don't reduce** the number of cars.

Use modals such as may, might, or could in the main clause when you're less certain about the results.

If air pollution **gets** worse, more people **may get** sick.

If you **don't fix** your leaky faucet, you **might get** a high water bill.

You **could spend** money on other things if you **grow** your own food.

**A** Write first conditional sentences with the two clauses. Then compare with a partner.

- you'll use 60 percent less energy / you replace your regular lightbulbs with CFLs  
*You'll use 60 percent less energy if you replace your regular lightbulbs with CFLs.*
- you pay your bills online / you'll use less paper  
\_\_\_\_\_
- we fix our leaky faucets / we'll save water  
\_\_\_\_\_
- there won't be much air pollution / everyone uses hybrid cars  
\_\_\_\_\_
- you use a clothesline / other people may start to do the same  
\_\_\_\_\_
- we use rechargeable batteries / we could save a lot of money  
\_\_\_\_\_

**B Pair work** What else will or may happen for each condition in Part A? Discuss your ideas.

A: *What else will happen if you replace your regular lightbulbs with CFLs?*

B: *If I replace my regular lightbulbs with CFLs, I'll have cheaper electric bills.*

**4 Speaking** **Around the circle**

**A** Write a sentence about what will happen if you change a habit to become greener.

*If I grow my own food, I will eat better.*

**B Group work** Sit in a circle. Go around the circle and share your ideas. Repeat your classmates' main clauses as conditions, and add new ideas.

A: *If I grow my own food, I will eat better.*

B: *If you eat better, you will feel healthier.*

C: *If you feel healthier, you won't need to go to the doctor very often.*

**5 Keep talking!**

Go to page 140 for more practice.
